Subpart 101-39.2—GSA Interagency Fleet Management System Services

§ 101-39.200 Scope.

This subpart defines the procedures for acquiring motor vehicles and related services provided by the General Services Administration (GSA) Interagency Fleet Management System (IFMS). Local transportation services for Government personnel and property may be provided by the GSA IFMS to efficiently meet the authorized requirements of participating agencies. These services may be furnished through commercial rental companies, private sector fleet operators, local or interstate common carriers, the Government, or a combination of the above.

§ 101-39.201 Services available.

GSA Interagency Fleet Management System (IFMS) vehicles and services shall be used in connection with official business and incidental use as prescribed by rule by the head of the agency in conformance with section 503 of the Ethics Reform Act of 1989 (Pub. L. 101-194) only. Available GSA IFMS services may include any or all of the following:

- (a) Motor vehicles for indefinite assignment;
- (b) Commercial motor vehicles for daily or short-term use, exclusive of temporary duty requirements;
- (c) GSA IFMS dispatch vehicles for short-term use, where available. This service is generally limited to locations where there is no commercial alternative;
- (d) Shuttle run or similar services;
- (e) Driver services; and
- (f) Other related services, including servicing, fueling, and storage of motor vehicles.

§ 101-39.202 Contractor authorized services.

(a) Authorized contractors and subcontractors shall use related GSA Interagency Fleet Management System (IFMS) services solely for official purposes.

(b) To the extent available, authorized contractors and subcontractors may use GSA IFMS services on a reimbursable basis to provide maintenance, repair, storage, and service station services for Government-owned or -leased equipment which is not controlled by a GSA IFMS fleet management center, or for authorized contractor-owned or -leased equipment used exclusively in the performance of Government contracts.

(c) Contractor use of GSA IFMS services will be allowable only to the extent provided in Federal Acquisition Regulation, 48 CFR part 51, subpart 51.2.

(d) Use of GSA IFMS vehicles in the performance of a contract other than a cost-reimbursement contract requires preapproval by the Administrator of GSA. Such requests shall be submitted through the Director, Fleet Management Division, GSA, Attn: FBF, Washington, DC 20406.

§ 101-39.203 Obtaining motor vehicles for short-term use.

Any participating Federal agency, bureau, or activity may obtain vehicles for short-term local use through the GSA Interagency Fleet Management System (IFMS). Short-term use vehicles may be provided through Military Traffic Management Command (MTMC) agreements with commercial firms or, where available, through GSA IFMS dispatch services. This support is available for official use performed locally or within commuting distance of an employee's designated post of duty. Arrangements for these vehicles will be made by the GSA IFMS fleet management center serving the local area. The requesting agency official or employee must be authorized to place orders for vehicle support and provide a complete billing address and GSA billed office address code (BOAC) at the time an order is placed. Agencies requiring a
